HOW TO INSTALL ON YOUR PC OR LAPTOP

2. Click Download Zoom
Client for Meeting

A screenshot of the Zoom Download Center page. The page has a light blue header with the text "Download Center" and a "Download" link on the right. Below the header, the main content area is white and features the heading "Zoom Client for Meetings". Underneath this heading is a paragraph of text: "The web browser client will download automatically when you start or join your first Zoom meeting, and is also available for manual download here." At the bottom of this section, there is a prominent blue button with the word "Download" in white text, and to its right, the text "Version 5.0.5 (26213.0602)".
